## BRIEF BIO:

Onyx Simpson is an performer, film producer, and entrepreneur based in Atlanta, GA. With over 6 years of set experience behind and in front of the camera, she has represented countless creative projects including brands such as KFC, Little Debbie's, Nike, and more. Besides this, she expresses her passion for immersive technologies through her own agency, PIE PIXEL STUDIOS, which was founded in 2017. Her future career path involves serving the greater good and solving community related issues.
